

On June 5th and 6th Vietnam Veterans of America Chapter 480 staged our 15th Annual All Night Catfish Derby. The Pre-Registrations and Registration lines were done in 42 minutes which was a record time. We had a great crowd again this year with no problems at all. We had well over 1000 Fisherman and Visitors show up over a two day period. This included television media and representatives from professional fishing and outdoor magazines! The Sheriff's Department had no complaints and complemented us again on a well run Derby. Thanks also to Owego Fire Department Water Rescue Unit! Thanks again to all that attended; we couldn't have done it without you!
